Marion will join communities throughout the world in observing the World Day of Prayer on Friday, March 7. The theme, "Responsible Freedom", has been selected for this world-wide program. The women of Thailand have prepared the framework for the 1980 service. Each year the program is outlined by women of a different country. The World Day of Prayer celebration is but one of the times when Church Women United, the official sponsors of the World Day of Prayer in the United States, expresses its concern for the global community.

### PROJECT SAFE

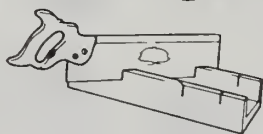

### SEDATIVISM AWARENESS FOR ELDERLY

The Marion Center for Human Services has initiated a program of education for the Older American in the use of alcohol and prescription drugs.

This project does not assume that there is a major problem of abuse. However, research indicates that persons over 55 are the largest consumers of legal drugs in the country - receiving 225 million prescriptions - 80 million of which are for mood altering drugs.

Information received from pharmacists and Visting Nurses' Associations show concern for a tendency to mix prescribed medication

## Project L.I.F.T.

Two students from the Mattapoisett L.I.F.T. class, Brooke Ettle and Andrea Porter, went to the Coast Guard Academy in New London, Connecticut on January 15. Commander Robert Ettle, Brooke's father, arranged the visit and took the girls to the Academy, his alma mater.

The girls were able to interview two cadets. They asked the cadets why they had chosen the Coast Guard for a career. The woman cadet, Sharon Keil, told the girls that her father had sent for brochures. After she read them, she decided to join.

Brooke and Andrea learned that most of the cadets enjoy the Coast Guard Academy because of its small size and interesting courses. Both girls hope to go to the academy some day to command their own ships. Upon their return to school, the two girls put together a visual presentation for their class, using slides, posters, and models.

back with two points to tie. However, the poor defense by St. Columbkille combined with the full court pressure of ORR resulted in several steals and points by the locals. By the end of the first quarter it was ORR 20, St. Columbkille's 8.

The second period followed the same script as a penetrating offense of ORR led to even higher tallies. ORR's tough defense held St. Columbkille to only three baskets compared with fifteen points for the home team. Second quarter score ORR 35, St. Columbkille 14.

In the second half two quick steals were converted into four points by Margaret Worden. Tracy McGrath followed up with an assist to Verville for two more which was followed up by a drive by Gretchen Hamer and two foul shots by Verville. At

the end of the third quarter it was ORR 51 St. Columbkille 20.

The fourth quarter was no different as ORR crashed the boards. Both coaches recognized the inevitable and used the remaining minutes to allow next year's varsity hopefuls gain valuable experience. ORR ballooned their final score to 62-21 over St. Columbkille

O'Neill. The Mattapoisett couple has been busy organizing and planning for the event since the first of the year.

Assisting the O'Neill's are Mr. and Mrs. James Greene, of Old Tree Farm Road, Mattapoisett. They have been assigned the challenging task of duplicating last year's enormously successful Irish Pub which played to packed houses each night of the two night event. One of the first moves made by the Pub chairmen was to move the room to larger quarters in an effort to accommodate the throng expected to descend upon the 'House of Leprechauns'. Top notch Irish entertainment plus a variety of beverages will be offered.

A third Mattapoisett couple has undertaken the demanding and important role of chairmen. Dr. and Mrs. Russell Bessette will be in charge of setting up and running a "Speakeasy"! Quality entertainment matching the decorum of a speakeasy as it was found in the 1920's is sure to highlight Stang's Manhattan After Dark.

Also, Mr. and Mrs. John Brennan will chair the committee responsible for providing the April 11 and 12 affair with a restaurant. A limited menu will be provided for those who wish a brief respite from the bustling life of Manhattan as presented by Bishop Stang High School early next

month.

## The River Niger

The Southeastern Massachusetts University Theatre Company will present The River Niger, a play by Joseph A. Walker, on March 6, 7, 8, and 9 at 8:00 p.m. in the main auditorium of SMU.

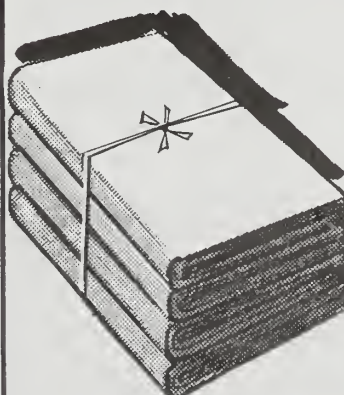

The River Niger is a family-type play which centers upon contemporary black life. The time is post-Viet Nam, the place is a home

in Harlem, and the mood is triggered by the collapse of activism. This comedy-drama's theme is the persistence of a revolutionary idea, despite the termination of activism.

The cast, directed by Angus Bailey, includes Jose Andrews, Jean Whyte, Beverly Powell, Donald Reid, Chauncey Allen, Jo-

TOWN OF MATTAPOISETT, MASSACHUSETTS  
MATTAPOISETT PLANNING BOARD  
NOTICE OF PUBLIC HEARING

A Public Hearing will be held on TUESDAY, MARCH 18, 1980, at 7:45 P.M.  
in the Conference Room of the Mattapoisett Town Hall concerning the  
following ZONING ARTICLES for the Annual Town Meeting to be held on  
April 7, 1980.

- A. To see if the Town will vote to amend the Zoning By-Law of the Town  
of Mattapoisett by deleting in its entirety Section "B.2. Establishment  
of Official Flood Plain Zoning Map" of the "Regulation of Flood  
Hazard Areas" and substituting the following therefore:

" 2. Establishment of Official Flood Plain Zoning Map.

The Flood Plain District is herein established as an overlay  
district. The underlying permitted uses are allowed, provided  
they meet the following additional requirements, as well as  
those of the Massachusetts State Building Code dealing with  
construction in floodplains and coastal high hazards.

The Flood Plain District includes all special flood hazard  
areas designated as Zones A, A1-30 on the Mattapoisett Flood  
Insurance Rate Map (FIRM), dated December 3, 1979, on file  
with the Town Clerk, Planning Board and Building Inspector.  
These maps as well as the accompanying Mattapoisett Flood  
Insurance Study are incorporated herein by reference."

or take any other action relative thereto.

- B. To see if the Town will vote to amend the Zoning By-Law of the Town  
of Mattapoisett by adding the following paragraph 3 to Section B.8  
of the "Regulations of Flood Hazard Areas":

" Located within the Flood Plain District are areas designated  
as coastal high hazard areas (Zone V). Since these areas are  
extremely hazardous due to high velocity waters from tidal  
surges and hurricane wave wash, the following provision  
shall apply:

- a. All new construction shall be located landward of the  
reach of the mean high tide."

or take any other action relative thereto.

- C. To see if the Town will vote to amend the Zoning By-Law of the Town  
of Mattapoisett by deleting in its entirety Section VII 3. Variances,  
and substituting the following Section VII 3."

"3. Variances. To authorize upon appeal, or upon petition with  
respect to a particular parcel of land or to an existing structure  
thereon, a variance from the terms of this By-Law, including the  
restrictions governing use of any such parcel or structure,  
where the Board of Appeals specifically finds that owing to cir-  
cumstances relating to the soil conditions, shape, or topography  
of such land or structures and especially affecting such land or  
structures but not affecting generally the zoning district in  
which it is located, a literal enforcement of the provisions of this  
By-Law would involve substantial hardship, financial or otherwise,  
to the petitioner or appellant, and that desirable relief may be  
granted without substantial detriment to the public good and without  
nullifying or substantially derogating from the intent or purpose  
of such ordinance or By-Law."

or take any other action thereon.

- D. To see if the Town will vote to amend the following sections of the  
Zoning By-Law of the Town of Mattapoisett:

Subsection 4. of Section V B entitled "Use Regulations - Residence  
(W 30) Permitted Uses:", Subsection 2. of Section V C entitled  
"Use Regulations - Village Residence, Permitted Use: (VR 10)" and  
Subsection 2 of Section V D entitled "Use Regulations - Marine  
Residence District, Permitted Uses: (MR)" by striking the words  
"If authorized by Board of Appeals:" and substituting the following:

"The following uses, if authorized by a special permit granted by  
the Board of Appeals pursuant to Section VII, B.2. of the Zoning  
By-Laws,"

or take any other action thereon.

- E. To see if the Town will vote to amend the Zoning By-Law to create a  
new 20,000-square foot residential district and to make the following  
amendments and additions to the Town of Mattapoisett Zoning By-Law:

1. That the zoning map entitled "Zoning Map Town of Mattapoisett,  
Massachusetts, dated November 1, 1967," as revised, as referred  
to in the first paragraph of Section IV B. of the Zoning By-Law  
be revised to include a Residence 20 (R20) District bounded and  
described as follows:

NORTHERLY by the southerly sideline of Route I 195;

EASTERLY by the westerly sideline of North Street;

SOUTHERLY by the northerly sideline of Route 6 (commonly  
known as County Road and Fairhaven Road);

WESTERLY by the easterly sideline of River Road and  
by the westerly sideline of Acushnet Road to Route I 195;  
EXCLUDING THEREFROM the General Business (GB) District  
on the north side of Route 6 (commonly known as County  
Road) between North Street and Main Street as it appears  
on said zoning map.

2. That Line 2 of the first sentence of Section IV A. entitled  
"Establishment of Districts," be amended by deleting the number  
"ten (10)" and inserting in place thereof, the number "eleven  
(11)."
3. That the following addition be made to the list of zoning districts  
set forth in Section IV A. "Residence 20 (R20)."
4. That the first paragraph of Section IV B. be amended by deleting  
it in its entirety and by inserting the following in place thereof:

Said Districts are located and are bounded as shown on  
a map entitled Zoning Map Town of Mattapoisett, Massachusetts,  
dated November 1, 1967, as revised, and on file in the Office  
of the Town Clerk. Said Zoning Map with all explanatory matter  
thereon, is hereby made a part of this By-Law.

5. That the following Paragraph J be added to Section V. entitled  
"Use Regulation."

"J. Residence 20 (R20) Permitted Uses:

1. Any use permitted in Residence 30 (R30)."

6. That the following be added to the minimum requirements table in  
Section VI B:

## SWANNDRI HAS ARRIVED

THE GREAT ALL-WOOL ALL-WEATHER OUTERWEAR FROM NEW ZEALAND

The Swannдри name is a clue to this wool's incredible capabilities. The fabrics stay dry even in a downpour ... the water rolls right off the surface, which battles strong gusts of wind in much the same manner. Yet for all its warm, dry protection, the exclusive weave lets every garment "breathe" for all-seasons ease.

Active fashions with the smart look, the soft hand and the great wearability everyone really goes for.
